

## ASIS Las Vegas Chainlink

September 2007

### CHAIRMAN'S CORNER

It's finally here. We are just days away from the International Convention and the aspirin bottle is quickly getting empty. We will not have a speaker at this month's meeting but instead will hold a general business meeting. We will discuss last minute issues and activities with the convention, the possible change of meeting location and time, chapter fundraising, and future projects. We need input from chapter members on these issues.

This month's Breakfast is sponsored by VTI Associates. The chapter is heavily dependant on breakfast sponsors to offset operational costs. Step up and show your support for the chapter.

I look forward to seeing you on Thursday.

### ASIS CONVENTION SEMINAR NEWS Volunteers Still Needed!

The volunteer response has been fantastic and we are happy to see so many members stepping forward. We still have some opportunities available.

Doug Florence will have an update on openings at the meeting on Thursday. If you cannot attend the meeting email Doug for additional information.

## Law Enforcement Luncheon

We are seeking table sponsors for the Law Enforcement Luncheon at the National Convention. The Luncheon is an opportunity for us to recognize the support and interaction we receive from Law Enforcement Agencies.

See Doug Florence or Bill Cage for additional information.

## Education Committee News

The Education Committee is preparing the chapter Security Seminar for early 2008. We will be initiating a call for presentations. If you would like to be a part of this exciting opportunity to share your knowledge and expertise with fellow security professionals, contact Dr. Nick Walling, Bill Cage, or D.A. Nichter to be added to the potential presenter list.

Requests for presentations have been sent out to all ASIS certified members of the Chapter for the CPP review in November. We are looking forward to another packed room for this years event. IF you would like to present or assist with a presentatin please contact Dave Nichter or Nick Walling.

For those of you seeking certification we are finalizing the course date and location. We anticipate holding the course on November 15-16. We will have additional information soon.
